

NEW LAUNCH

# Checkmate

The 100th fibreglass yacht built by Benetti in Viareggio.  
Reviewed by Frances and Michael Howorth

**C**rraacckk went the champagne bottle as it smashed across her bow spraying French Fizz everywhere. Then to the strains of Giuseppe Verdi's *Và Pensiero*, *Checkmate* the brand new 44 metre Benetti Vision 145, built as hull number BV018 was launched in Viareggio. The launch was held in early June and hundreds of onlookers saw *Checkmate* take the water inside the Darsena Italia Basin, historic home of the Benetti shipyard. The yacht's owner, a well known surgeon from Washington, D.C. in the USA and his family, together with all the Benetti staff involved in her almost two year long construction and fitting, out clapped their hands with glee and cheered to demonstrate their eager excitement

## Interior

The yacht's François Zuretti interior is both rich and sober, featuring a combination of cherry and Burr Madrona woods, neoclassical dark inlays enhanced by marble. Large windows on each deck offer panoramic views that can be enjoyed in complete privacy, both from outdoor areas and from the interiors, which is spacious and flooded with natural light giving the furnishings a perfect chiaroscuro balance. Practical, well thought out and dedicated routes and areas for crew to work and gain access guarantee complete privacy for owners and guests.
